

WASH SOLVENTS

series 181

technical information

181109 SOLVENTE LAVAGGIO 109

Fast drying, suitable for final wash-up and intermediate cleaning during the print.

181110 SOLVENTE LAVAGGIO 110

Medium drying, suitable for final wash-up.

181113 SOLVENTE LAVAGGIO 113

Suitable for catalyzed epoxy inks.

181114 SOLVENTE LAVAGGIO 114

Medium drying, suitable for washing up equipment and screens.

181302 SOLVENTE LAVAGGIO 302

Low odour, medium drying. Also suitable for catalyzed epoxy inks.

181016 SOLVENTE LAVAGGIO 1016

Non toxic - non flammable wash solvent, slow drying and biodegradable. Suitable for manual and automatic wash up. Due to its long time of efficiency, it reduces wasting. CEE labelling not required.
